

The Cowichan District Hospital is the local maternity hospital for over 77,000 residents of the Cowichan Valley. Approximately 500 babies are born at the hospital each year.

## Celebrate Your Baby's Birth

Commemorate the birth of your baby and help the Cowichan District Hospital Foundation continue to offer the best possible care to our maternity unit patients. The Cowichan District Hospital Foundation needs donations to support equipment purchases and specialized programs for the maternity unit.

## Wall of Support

Our Wall of Support is the perfect way to remember the birth of a special baby. A designated area on the maternity unit displays the teddy bear mural and the hand-crafted, ceramic tiles with the names and birth dates of babies born at the Cowichan District Hospital.

Our tiles are a long-lasting, innovative gift for the new baby or baby shower.

Each tile helps fund ongoing care at the maternity unit of the Cowichan District Hospital.

Specially designed memorial tiles are also available.

We offer the following options:

- \$100 Hand-crafted and painted tile (4" x 5") with name, birth date and birth weight.
- \$250 Hand-crafted and painted tile (4" x 5") with name, birth date and birth weight and Commemorative Certificate.

## How To Order Your Tile

Please allow approximately 4 weeks for your tile to be produced, as all tiles are individually crafted and hand-painted. We will send you a letter to confirm that your order has been received.

Send your completed order form to:

Cowichan District Hospital Foundation  
 #4 - 466 Trans Canada Highway  
 Duncan, BC V9L 3R6  
 Phone: (250) 701-0399 Fax: 701-0339
